Hotel & Event Location

Fanshawe College will be the location of ALL the retreat activities. Parking is free for hotel guests. To make your reservations, please see the ad on page 4.

IMPORTANT - THE COLLEGE IS ONLY HOLDING ROOMS UNTIL May 18th so PLEASE BOOK YOUR ROOM BY THAT DATE!!

Registration

The fee to register for the 2019 ArtWaves London is \$89. We also have the One Day Registration fee of \$49. Please note that all prices are in Canadian funds.

ON-LINE REGISTRATION is available!! Please note that online registration will close one week before retreat starts. At that time, you may only register at the retreat in person.

VISA, MASTERCARD, CHEQUES, PAYPAL and e-transfers are all accepted.

(US students: NO cheques please.)

Classes

BEGINNER: basic knowledge

INTERMEDIATE: good understanding of fundamentals - average pace

ADVANCED: extensive experience and skill - fast pace

A Student Summery Sheet will be ready for you at the show. This sheet will tell you what classes you have, what room they are in and the supply fee. Supply fee is payable in cash to the teacher. This amount covers the cost of the project piece, its preparation, printing of patterns and instructions, shipping and other miscellaneous expenses incurred by the teacher.

Cancellation/Refund Policy

If a student cancels before May 9, 2019 any fees paid for classes will be refunded. If a student cancels after May 9, 2019 there will be no refund. The student can transfer their registration to another student or try to sell their classes.

The registration fee is NON-REFUNDABLE.

Etiquette

*To prevent any disruption in the classroom, please set your cell phone ring to vibrate or off mode. Should you receive a call that must be answered, please exit the classroom to talk.

*Please be considerate and DO NOT enter classes that you are not registered for. Save your visiting for outside of class times.

Pin it Canada!

CLASS DESCRIPTIONS

- SP100 Enjoy a fun and informative night out with Debbie, as she takes you step-by-step through her painting process to create this vibrant and loose style design!
- SP200 Students will enjoy an evening learning how to use mixed media. Learn to use a comb brush to create this unique painting. Students will each receive a free brush from Dynasty.
- 100 Students will learn to paint a Santa face and beard. They will also learn easy extender blending
- 101 Students will be learning techniques with textures, glazes and fluid acrylics.
- 102 Learn how to paint a textured impressionistic piece using nothing but your fingers and a bit of painting knife. Finger painting is SO MUCH FUN! Clean up will only be done using vegetable oil - NO solvents!
- 103 Students will learn the steps to create a strong design, how to cut and shape recycled glass. The main focus in the class will be learning to etch.
- 104 Learn a variety of colour pencil techniques, how to layer and how to create fur texture.
- 105 Students will learn drybrushing techniques to create fluffy little bunnies which they can use on other animals as well.
- 106 Learn the use of different mediums to create various effects.
- 107 You will be working with texture using Stone Art and Powertex products.
- 108 Background technique will be done in class. Learn to use extender and glazing mediums, and how to facilitate realistic painting.
- 109 Students will be inking and rouging with Permalba Oils.
- 110 Learn wet blending and perspective. Students will learn to transition colours together using Wendy's unique blending techniques.
- 111 Students will learn to paint with a soft blender brush.
- 112 The student will learn colour values and how to achieve realistic looking flowers and objects in white.

- 113 Learn how to paint a bustard with dough and ashes.
- 114 Learn how to compose and create a painting freehand.
- 115 Students will be creating clay with Stone Art and applying pigment to create a statue.
- 220 Learn the tricks to successfully paint a simple design and lettering on glass.
- 221 Learn how journaling can be a tool that can be used in your life to help you deal with the stressors of every day. See how I have used it to help remain content, as I have dealt with the ups and down of life, such as dealing with cancer.
- 222 Participants will be introduced to basic concepts of cartonnage craft making with this simple, fun and practical alphabet tag project with personalized embossing. In the class you will choose one alphabet letter to make your tag.
- 223 Students will learn the basics of cutting glass and glass tumbling, learn how to drill tumbled glass and assemble into a unique necklace. They will have one design to create but will be exposed and have instructions for both.
- 224 Learn how to use a palette knife to paint with texture medium. You will also learn stencilling techniques.
- 225 Students will learn a fun and easy way to paint flowers & stencil.
- 226 Learn how to create expressive faces. Multiple faces will be demonstrated.
- 227 Students will learn how to apply and blend oils on a prepped acrylic background. They will also receive instruction on how to paint the acrylic background for future projects.
- 228 Learn to work collage medium and paint on paper, while learning how to shade faces.
- 229 The student will learn techniques at creating depth in a painting using only 2 paint colours creating a monochromatic. Students will have a choice of colour for an unique individual result.
- 230 Students will learn how to design, draw, paint in the negative, glazing, colour mixing and texture.
- 231 Learn how to compose and paint a painting freehand.
- 232 Learn the usage of acrylic and pouring medium in a mixed media project.
- 233 Learn wet on wet blending techniques. You will also learn quick and each pine tree techniques.
- 234 Learn the use of layered, floated shading and colour values.
- 235 Students will be building colour valued, washed, tints and mixes.
- 236 Learn a variety of colour pencil techniques including how to layer colour and create feather textures.
- 237 Participants will make an attractive and convenient Daily Planner (A5 - 6 hole size) using a broad range of basic cartonnage techniques that can be confidently used afterwards for other exciting personalized items.
- 238 Students will learn the basics of knitting including how to cast on, straight knitting, increase and decrease stitches and bind off.
- 239 Student will learn how to blend colours and to make a seascape.
- 240 Learn to work with texture paste and use Pebeo. Learn how to create depth with texture.
- 350 Learn to paint this unique background, chalk lettering, rouging as well as simple techniques to create realism.
- 351 Students will be learning mixed media techniques with paper and stencils.
- 352 Students will learn to work with transfer decou-page paper, work with stencil and paint with a palette knife.
- 353 If you have tried watercolour but didn't love it don't let it stop you from taking this class! This style is different and so much fun! Use wax to create resists and learn how to build bold colour to make your painting pop.
- 354 Students will learn water colour mixing and glazing.

- 355 Students will learn how to mix oil paints and blend them in a way that will bring life and dimension to their painting.
- 356 Students will learn an easy way to paint on fabric, with some stencilling and dry brushing techniques.
- 357 Learn the techniques of landscape painting with oil, painting snow, evergreen trees, blending techniques with oils. Low odour oil paints are used. NO harsh solvents are used in class. No open turpentine.
- 358 Participants in this class will learn basic cartonnage concepts and techniques through making a stylish snap tray. This beginner level project is lots of fun and the snap tray itself is very useful for organizing, storing and travelling.
- 359 Students will learn everything from start to finish. Decoupage, texture, cerne relief, paint and topped with Pebeo's Vitrail Prisme.
- 360 Students will learn the basics of cutting glass and glass tumbling, learn how to drill tumbled glass and then learn several wire wrapping techniques in order to assemble a cluster necklace to be hung from a silver plated neck ring.
- 361 Students will learn the comma stroke, double load, one stroke leaf and varigated background.
- 362 In this class students will learn many different techniques as they 'Create' a true multi media masterpiece! By using a Susan K. Weckesser Inc. word stamp as pattern & proper tools you will learn the basics of wool roving. Students will also have fun stitching & collaging pieces on to this whimsical piece. A mix of creative painting & stamping creates the background. This is a fun sample technique filled class to show how roving, paint & ink can go together!
- 363 Students will learn how to use Art Foamies, durable, bold foam stamps, with acrylic paints to create endless design ideas on cotton canvas bags and cardstock.
- 364 Students will learn how to create faces and work with only one colour value scale.
- 471 Students will learn fabric painting techniques.
- 472 Students will be introduced to Fluid acrylics.
- 473 This class is for the beginning sewer and for those that have sewn before and would like the change to be re-inspired. We're going to introduce a new method of fabric cutting, using the Gemini Build a Block Quilting System. You'll cut your squares in seconds! Makes finishing a quilt or table runner super easy. In this class we will be making a quilted table runner. Sewing machines will be shared by two students.
- 474 Blending with extender made easy. Ideal for those having trouble floating colour. Learn to paint a Santa face and a simple fun background.
- 475 Learn to paint a textured impressionistic piece with nothing but your fingers and a bit of painting knife. Finger painting is so much fun! Clean up will be done using vegetable oil. NO solvents!!
- 476 The student will learn how to mix and combine colours to make interesting evening clouds. You will also learn how the water flows and the painting effects to create realistic movement in water.
- 477 Students will learn shadows and how to work with a limited palette. You will learn the tricks of glazing and colour mixing.
- 478 Students will learn fast and simple techniques for creating abstract floral.
- 479 Students will learn blending wet on wet, reflections and a looser style of painting.
- 480 The student will learn techniques of landscape painting with oil, painting water, rocky areas, reflections in water, and deciduous trees. Low odour oil paints are used. NO harsh solvents are used in class. NO open turpentine.
- 481 Students will learn various mediums and how they can be used. Student will also learn how to use Dynasty 3/4" rake.
